Hi Jennifer,

Would you be able to have this graphic available as a poster for the 11/20 public meeting? It might be good for the city to keep for future informational events about the site. Alternatively, I can ask our graphics person to reproduce as a poster and have it shipped to you. Let me know what you think.

Also, it occurs to us that it might be good to reach out to local real estate experts or an association – if there is one – so that they can take in the information at the event as well as share thoughts if questions come up about property values.

Thanks!
